

“2010 Legislative Showcase”

Innoventor was nominated by the Missouri Small Business & Technological Development Centers to participate in the “2010 Legislative Showcase” event, which was held January 26th and 27th in the Capitol rotunda, Jefferson City.

The event was sponsored to honor outstanding Missouri companies who have contributed to the community in creating businesses that create jobs and advance our State’s competitiveness.

Not only did Innoventor participate in the event, but Innoventor was presented with an award from the Missouri Small Business & Technological Development Centers to recognize Innoventor, Inc. “for its contribution to the economic development of the state of Missouri through the creation of businesses and jobs and the generation of tax revenue that helps improve the lives of all Missourians.”
